

USAM Standards of Conduct

Guidelines for Life, Fellowship, and Leadership

These standards help shape a Christ-centered culture within United Single Adults Ministry (USAM). They are not legalistic rules, but life-giving commitments that support our spiritual growth, relationships, and witness.

1. Honor & Integrity

We speak truth in love, follow through on our commitments, and live authentically—whether seen or unseen.

2. Purity

We pursue holiness in mind, body, and relationships. We honor God with sexual purity and spiritual discipline.

3. Loyalty & Faithfulness

We stay faithful to God, the church, and one another—building trust, keeping confidences, and showing up consistently.

4. Authenticity & Vulnerability

We share our real selves. We reject perfectionism and grow together through honesty, humility, and grace.

5. Unity & Respect

We reject gossip, divisiveness, and offense. We speak with honor and handle conflict with love and humility.

6. Stewardship

We steward our time, talents, and resources for God's glory—serving with joy, generosity, and excellence.

7. Discipleship & Growth

We commit to growing spiritually through the Word, prayer, worship, and community. We help others grow too.

8. Support & Encouragement

We lift each other up, carry burdens together, and celebrate each other's victories. We are a support system.

9. Accountability

We own our actions, confess our faults, and seek help when we fall. Growth comes through humility and correction.

10. Lifestyle Consistency

We live what we believe—in private, public, and online. Our lives reflect Christ everywhere we go.

These standards apply to all members, and especially to those serving in leadership or volunteer roles. They reflect our heart to follow Jesus fully and represent Him well in everything we do.
